

Gravel Hill

School  
Improvement Plan

2015-2016

# “Learning for Life”

Confidence **A**spiration **R**espect **E**xcellence

We will:

- Constantly strive to adopt best practice in teaching and learning through sharing knowledge, expertise and skills.
- Create a curriculum that is rich in opportunities to enable all learners to develop their knowledge, skills and understanding.
- Retain and enhance our high calibre, dedicated team of staff- providing an environment that supports and develops all members of the Gravel Hill family.
- Value and develop all members of the Gravel Hill Family, including Governors. This will be through high quality CPD, collaboration, networking and recruitment as necessary, to achieve the skills base and resource capability the school needs to meet our vision.

Develop interventions that ensure that children’s well- being and emotional happiness is a priority.

To ensure that pupils are prepared for the new National tests in KS1 and KS2.

To further develop the teaching of spelling, punctuation and grammar across the school.

Extend the impact of curriculum opportunities to develop British values and SMSC

Review and update marking and feedback policies and procedures to increase the impact of improvement marking on pupils’ progress

To ensure all pupils are prepared for learning in terms of wearing correct uniform and having the necessary resources in school when needed

To evaluate and update the school’s punctuality policy in order to improve punctuality

To maximise opportunities to reinforce learning on cyber bullying, use of social media and current events, including radicalisation and keeping yourself safe from abuse, where age appropriate

Evaluate and review the school curriculum in line with the raised expectations of the New National Curriculum.

To develop leadership excellence within the school’s SLT through working in close partnership with other schools

Extend the provision the school offers to families to encourage positive engagement

Provide high quality CPD opportunities for staff and Governors to develop their skills
