

British Values

We have been promoting the British values of:

- Democracy
- Individual liberty
- Respecting the rule of law
- Mutual respect and tolerance for those with different faiths and beliefs

During British Heritage Week we celebrated our British values, finishing with a St George's Day celebration on 22nd April. We had lots of fun!

Election fever!

June 23rd 2016 is a very important day for democracy at Gravel Hill, not the EU referendum but the

House Captain Elections!

Candidates from Y5 have been campaigning to persuade people to vote for them.

All pupils from KS1 and KS2 will vote on Thursday 23rd June and the new House Captains will perform their first duties at Sport's Day on Friday 24th June

Good luck to all the candidates!

Our current project

At the moment we are working on creating some welcome handbooks for new pupils who start at our school.

We have interviewed some pupils who have started in KS1 and KS2 recently to find out their views on what we should include in the handbooks.

Next term we will be working on designing the handbooks and publishing them ready for any new pupils!

Pupil Governors hard at work!

We have enjoyed our time as Pupil Governors this year. Good luck to Lara and Jessica, who continue as Y6 pupil governors next year and we hope their new team are very successful!
