

2nd March 2017

Dear Parent/Carer

**YEAR 1 / 2 FAMILY GOLDEN TIME - JUNK INSTRUMENT MAKING WORKSHOP
FRIDAY 10th MARCH 2017**

We have invited an external company called Loud Learning into school to deliver a junk instrument making workshop on Friday 10th March. **Initially this was for Year 2 only but we are opening this up to Year 1 and their parents as there are some spaces available.** The session will be from 2.00pm – 3.10pm and will cost £5.00 which includes all materials used. This workshop uses everyday items such as cups, straws and pipes to teach children how instruments work and why they make different sounds. The children make all kinds of instruments from drums to hose pipe horns, shakers to lollystick harmonicas.

By the end of the workshop, all the children come together and create music on their own instruments which they can take home.

Numbers will be limited so therefore it will be first come, first served. Parents will need to come to the Watling Street Entrance at 1.55pm in order to start promptly at 2.00pm please. Unfortunately if you arrive late you may not be able to join in. If you would like to sign up for this Family Golden Time please complete the attached slip and return it along with £5.00 to the School Office **by Wednesday 8th March.**

Please note that only children whose parent/ carer attends the session will be able to participate and it will not be possible to admit siblings due to health and safety regulations.

All members of the Gravel Hill community are required to switch off/silence their mobile phones in the school building.

Yours sincerely
