20th October 2017

Dear Parents/Carers

We are writing to inform you that Gravel Hill Primary School will become part of the Unity Academy Trust as of 1st November 2017.

We are delighted to be part of a brand new venture that will only go to strengthen the fantastic opportunities that we offer the children every day. The family ethos of the school is something that we all value and this will grow as Gravel Hill extends into the Unity Trust.

To celebrate our journey into a new era we will be launching our brand new video on the school website on 31st October 2017. Please take a moment to have a look at it www.gravelhillschool.co.uk

Over the coming weeks Mrs Marsh, Executive Head Unity Academy Trust, will be writing to parents to introduce herself. There are already activities planned for the children of Gravel Hill and Uplands to meet and work together.

We can assure you that Governors and Staff at Gravel Hill Primary School remain committed to achieving the best possible learning environment for our pupils.

Yours sincerely

Miss M Neale
Headteacher

Mrs H Teale
Chair of Governors
